POLYCELL SUGAR SOAP LIQUID CLEANER 501801

Application	<ul style="list-style-type: none">• Dab solution onto surface to be cleaned using a cloth or sponge. Allow to soak into the dirt.• Wipe with a damp cloth - rub only when necessary.• Rinse with clean water and dab dry.• Repeat if necessary - do not scrub surface as this will damage the paint film.
Cautions	<ul style="list-style-type: none">• Rubbing only recommended on upholstery and non-painted surfaces.• Protect parquet, linoleum and other polished surfaces from SUGAR SOAP LIQUID CLEANER.• Will not remove lacquer, adhesives, bitumen or deeply penetrated oil and grease - use BRUSH CLEANER for such purposes.
Safety Precautions	<ul style="list-style-type: none">• SUGAR SOAP LIQUID CLEANER will dry the skin because of the degreasing properties.• For sensitive skins it is advisable to wear protective gloves during use. In case of accidental skin contact, wash the affected area with water and soap. Apply a skin lotion to replace lost oils.• If ingested, drink lots of milk and consult a doctor immediately.• In case of eye contact, wash with copious amounts of water and consult a doctor.• Keep out of reach of children.• Refer to Material Safety Data Sheet for complete information.

DISCLAIMER:

The recommendations contained herein are given in all good faith and are meant to guide the specifier or the user. They are based on results gained from our tests and experiences and are believed to be reliable. No guarantee is implied by the recommendations contained herein since conditions of use, method of application and cleanliness of the substrate prior to painting are beyond our control.

N.B.: Technology may change with time necessitating changes to this Product Data Sheet (PDS). It is the responsibility of the user to ensure that the latest PDS is being used.
